## Another Literary Masterpiece

That must be good copy, Roy!

After wading through tons of pictures, copy, and delays, the annual staff managed to put it all together and this book is the result. At times they thought they'd never finish, especially before the final deadline. With Mrs. Tye cracking the whip, and the editors burning the midnight oil, nine months of hard work comes to an end. Congratulations seniors from the annual staff of 1972-73.

LEFT TO RIGHT: Roy Dube, Sr. rep.; Beverly McBride, Jr. rep.; Shari Broeckel, Jr. rep.; Barbara Wallace, Soph. rep.; Cathy Sheahan, Jr. rep.; Betty Trull, Art Editor; Mrs. Tye, Adviser; Patty Mattausch, Jr. rep.

You are indeed entering into very challenging times. You will have the opportunity to participate in making our country and world a better place to live. Have a better plan or way of doing things and meaningful change can be brought about.

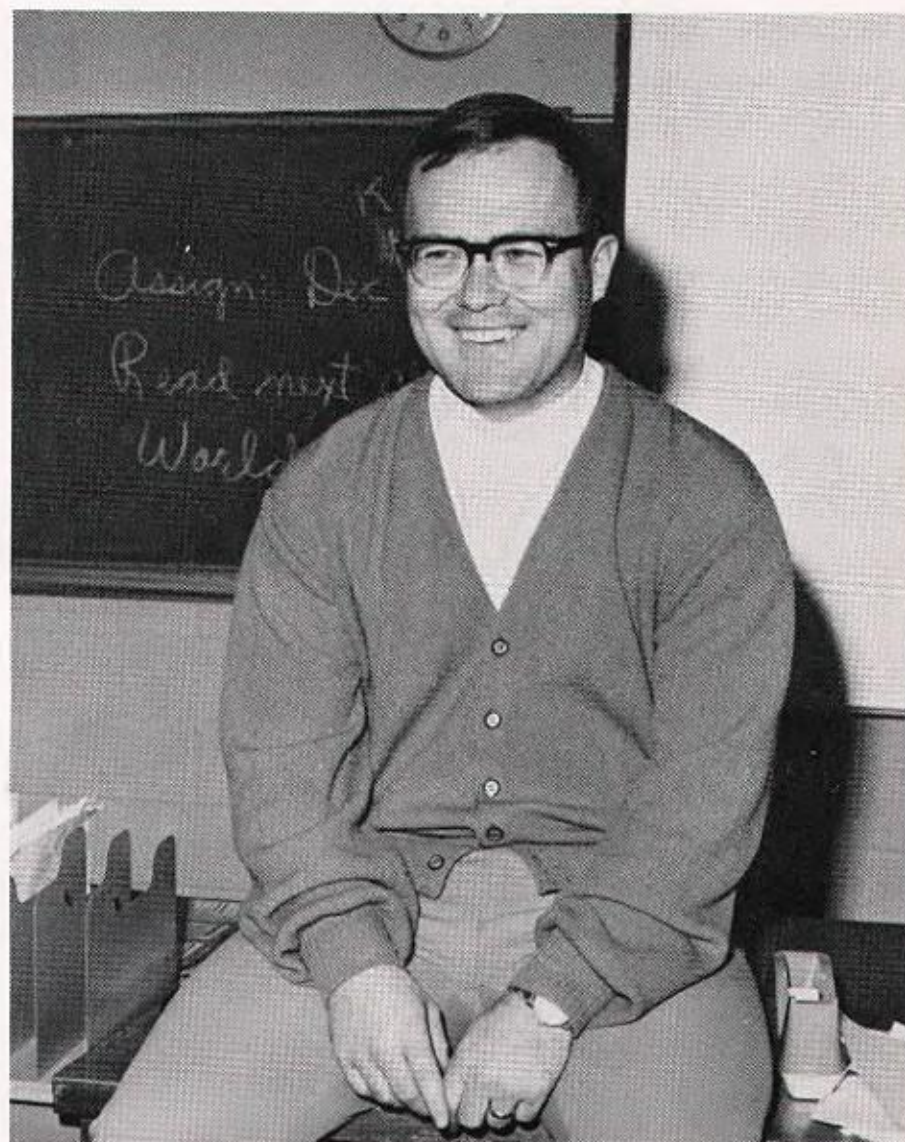

Mr. Meserve.

To the Class of 1973:

You have reached an important milestone in your journey toward an education. Truly, I hope you regard commencement as the name indicates: a beginning.

I know you will be unable to leave Rosalia High School without pangs of regret, but I am confident you will realize the possibilities the future holds, as well as the hardships, and go forth courageously to meet both. Bon Voyage!

Mr. Roberts

Mr. Heglar--Have you ever seen a person that could coach football in the fall, grade school basketball in the winter, and baseball in the spring, and still do as good a job as Mr. Heglar? It's doubtful. As interested as he is in sports, it's no wonder that he teaches grade school and high school PE, and is the Letterman's Club Advisor. But he's not just all brawn and no brain, he also teaches high school history.

# Faculty

&

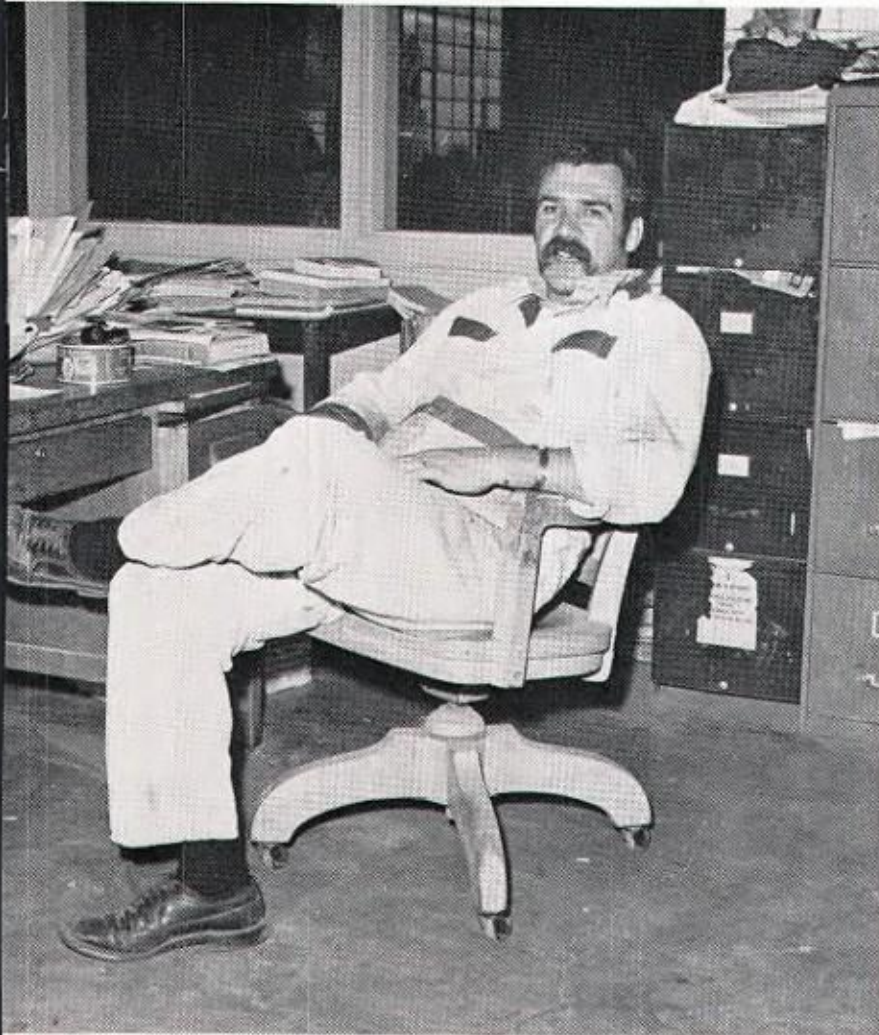

# Administration

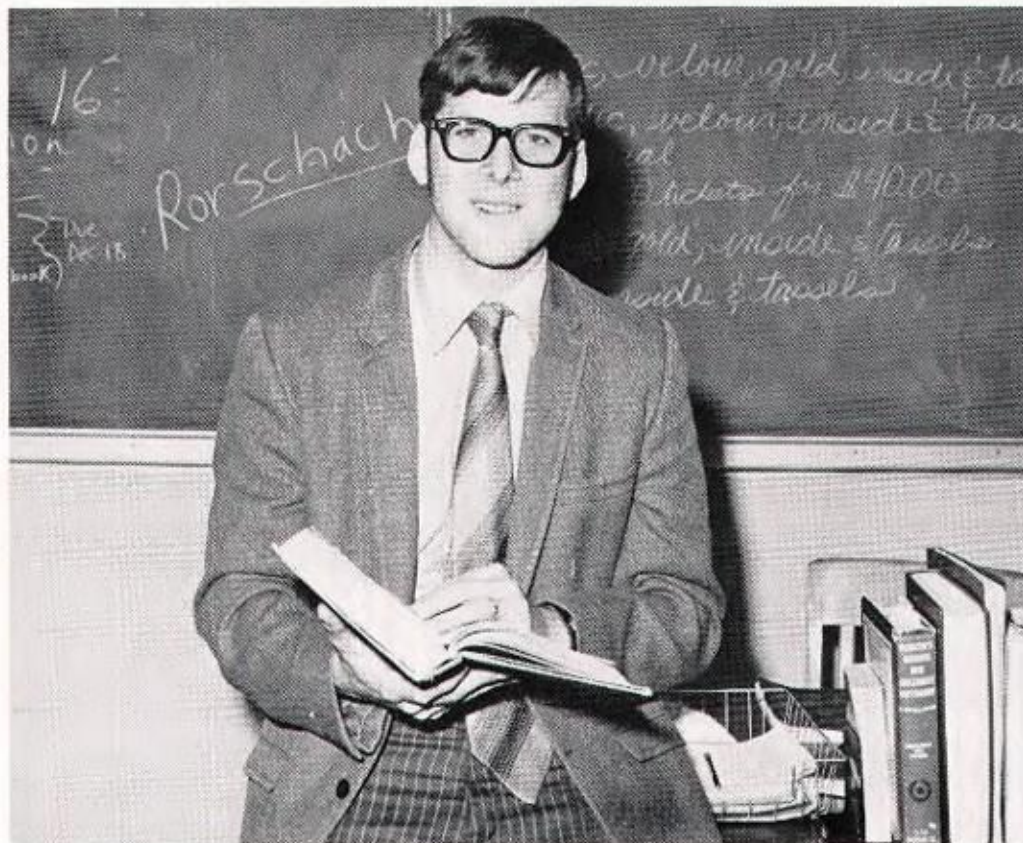

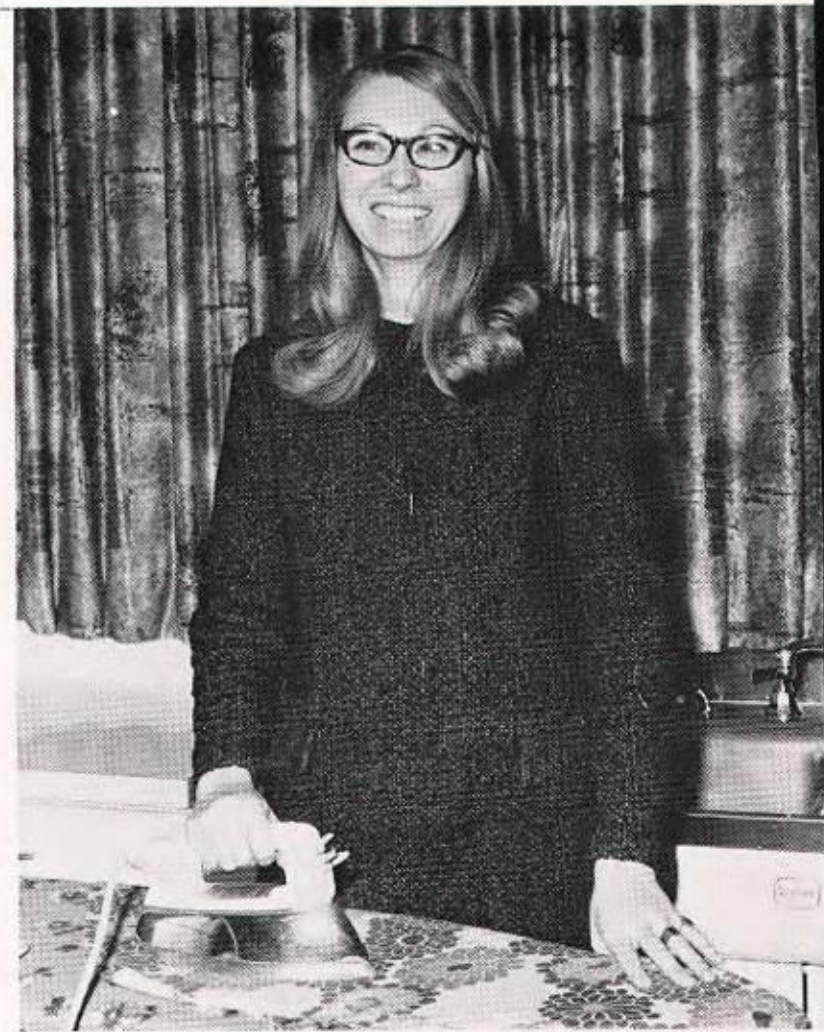

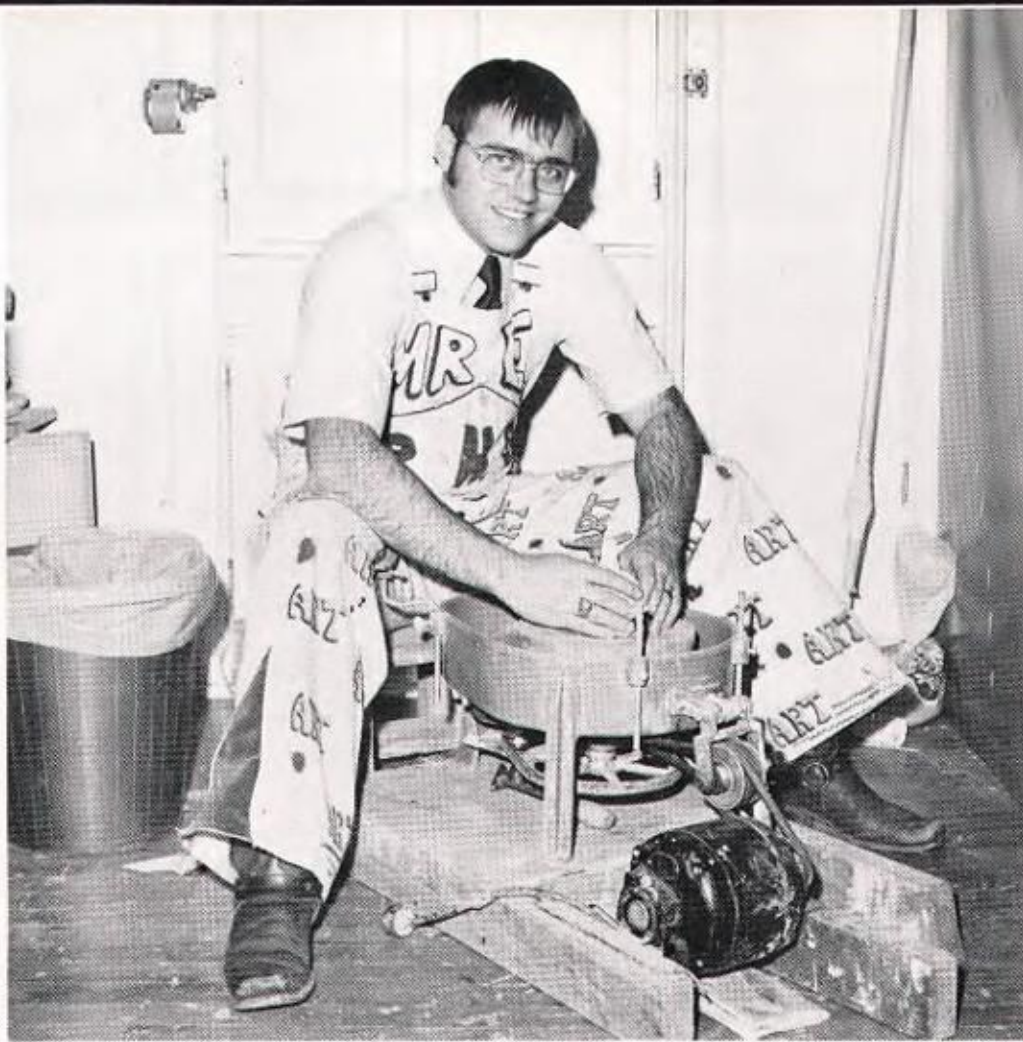

Mrs. Widman--This picture depicts the true Mrs. Widman, always teaching science, that's why she captured the deserved title of Biology Teacher of the Year for the State of Washington. She also is co-coach for high school bowl, and the advisor for the Junior Class.

Mrs. Tye--Do you hear the sound of a whip cracking, chances are that Mrs. Tye is nearby. No, it is only the sound of busy typewriter keys because Mrs. Tye is the head of the Business Education department. Not only does she teach the Business courses but also Spanish. She is the Advisor of the Spartan Annual Staff and the Senior Class. Even though she is accused of cracking the whip, this could be the reason she accomplishes so many things.

Mr. McKay--Among the baa of sheep, the moo of steers, and the squeal of pigs and tires, you'll find Mr. McKay. He's the head of the agriculture and driver's education department. Advising the FFA keeps him extremely busy. But his efforts are well rewarded as his FFA is rated among the top 10 in the state.

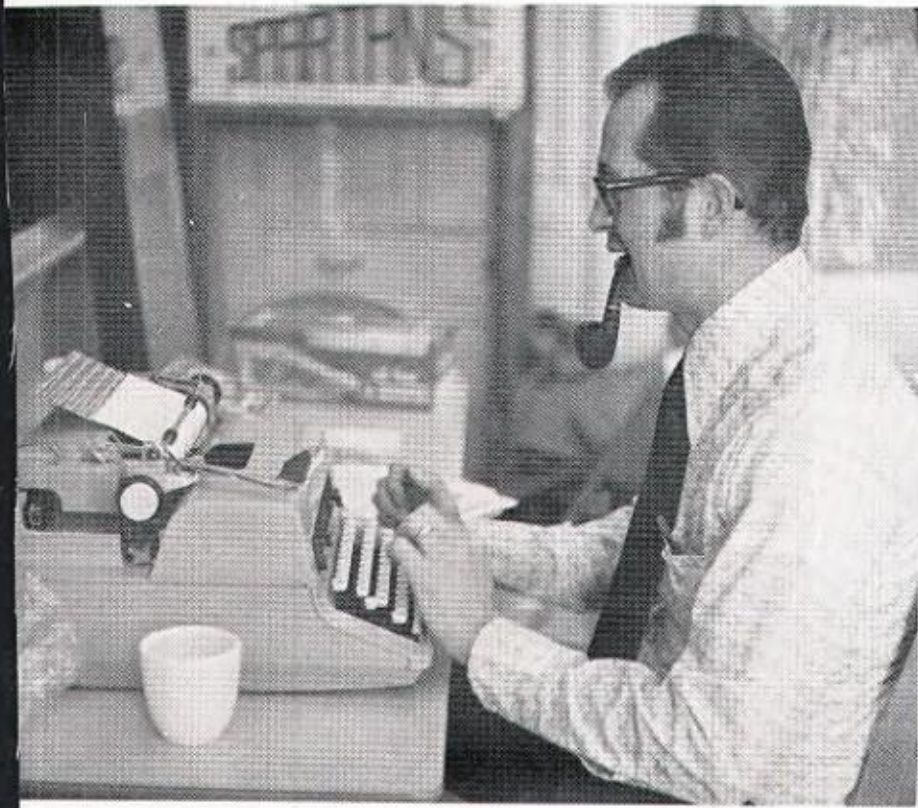

MR. EASTEP--You can always find Mr. Eastep, our art teacher, busily drawing or creating masterpieces in the art room to the surprise of his students. He is also a veteran ping pong player and it is only logical that he is the coach of our ping pong team, which incidently had a successful season this year.

MR. STAEBELL--While advising his journalism staff, which publishes an outstanding monthly Spartanic, he sometimes slips up and subconsciously draws basketballs or track shoes all over the copy. This could be caused by always concentrating on his B-squad basketball team, or maybe he is thinking about coaching track in the spring. When he infrequently has spare time, he also advises the frosh class.

MRS. VOGEL--Something is always cooking in the Home Ec room, whether it be tasty goodies made by the Home Ec students, or tricky schemes to try out with the girl's basketball team. With Home Ec and girl's basketball keeping her quite active, we wonder how she finds the time to also be the FHA Advisor but she seems to handle them without much trouble.

## Scholastic Scholars

MRS. PLASTINO--Numbers here, numbers there, numbers, numbers everywhere and in the midst you can see Mrs. Plastino, our math teacher. She's always there to discuss the confusing world of numbers and advise the sophomore class. She also makes a colossal High School Bowl Co-coach.

MR. FEENAN--Amidst the smell of firm grip and kramergesic, among adhesive tape and knee pads, our terrific coach is always there, coaching his basketball team and doing a fantastic job. On top of that, he also is our high school counselor who helps us in our preparation for college.

MRS. HENNING--Wherever there are books, filmstrips, newspapers, or huge library fines you will find our librarian, Mrs. Henning. She is usually kept busy maintaining law and order in the library, but she always finds time to supervise that spirited group of girls, the Spartanettes.

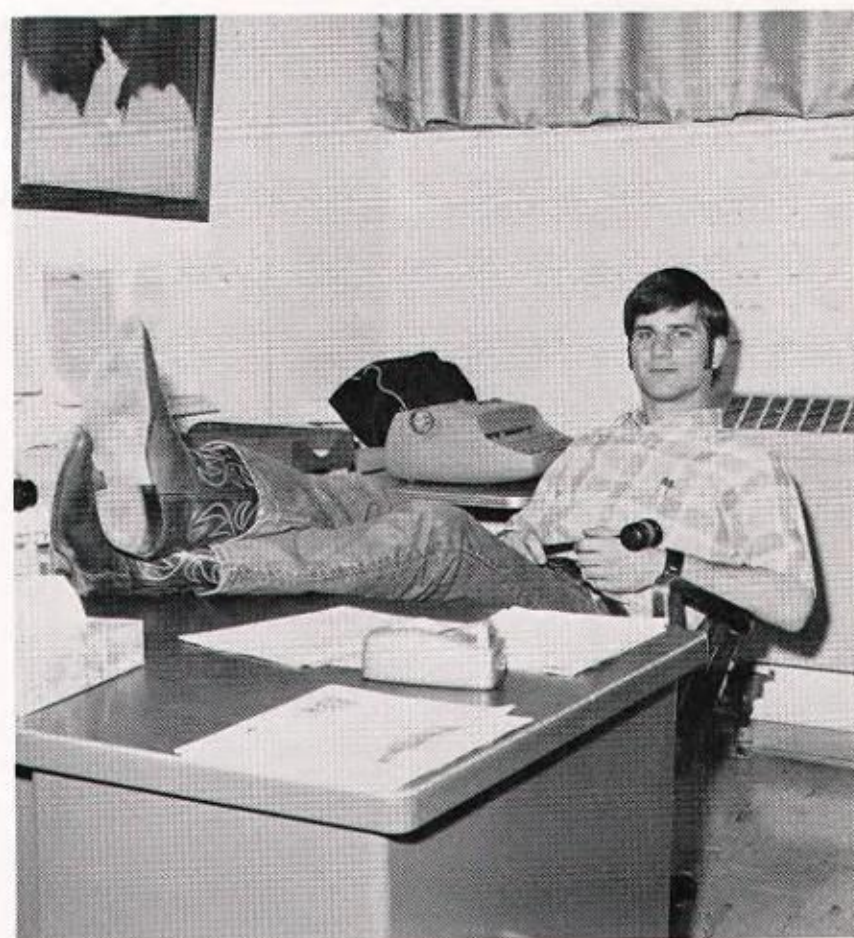

MR. THOMAS--Sounds of beautiful music can always be heard coming from the band room under the direction of Mr. Thomas, our music teacher. But music isn't his only talent, he also teaches English and acts as the NHS Advisor.

The Spartans have seen more successful seasons than the 1972 year, but a great deal was accomplished. This is the first year ever that the entire Spartan team was awarded gold helmets because of their outstanding performances at various times during the season.

On September 8 the Spartans started off the season with an 8-6 victory over the Springdale Chargers. It was a long, hard battle, but the end proved to be victorious for the mighty Spartan team.

After being defeated by the Mullan Tigers last year, the Spartans were ready for action when the two teams met at Mullan September 15. The work paid off with a Spartan victory, the final score being 26-7.

The Spartans hosted the Chewelah Cougars September 22 for their first home game of the season. Rosalia lagged behind in the first half, but with a tremendous effort in the second half the margin was narrowed 22-20.

The Spartans traveled to St. John on September 22 for their home game against the Dayton Tigers. It was a rough scrimmage with plenty of penalties and injuries. The final score was 35-0 in favor of our opponents.

For their first league game on October 6, the Spartans headed to the home of the Eagles. The Homecoming Spirit was with the Eagles causing the Spartans to fall to defeat by the score of 50-7.

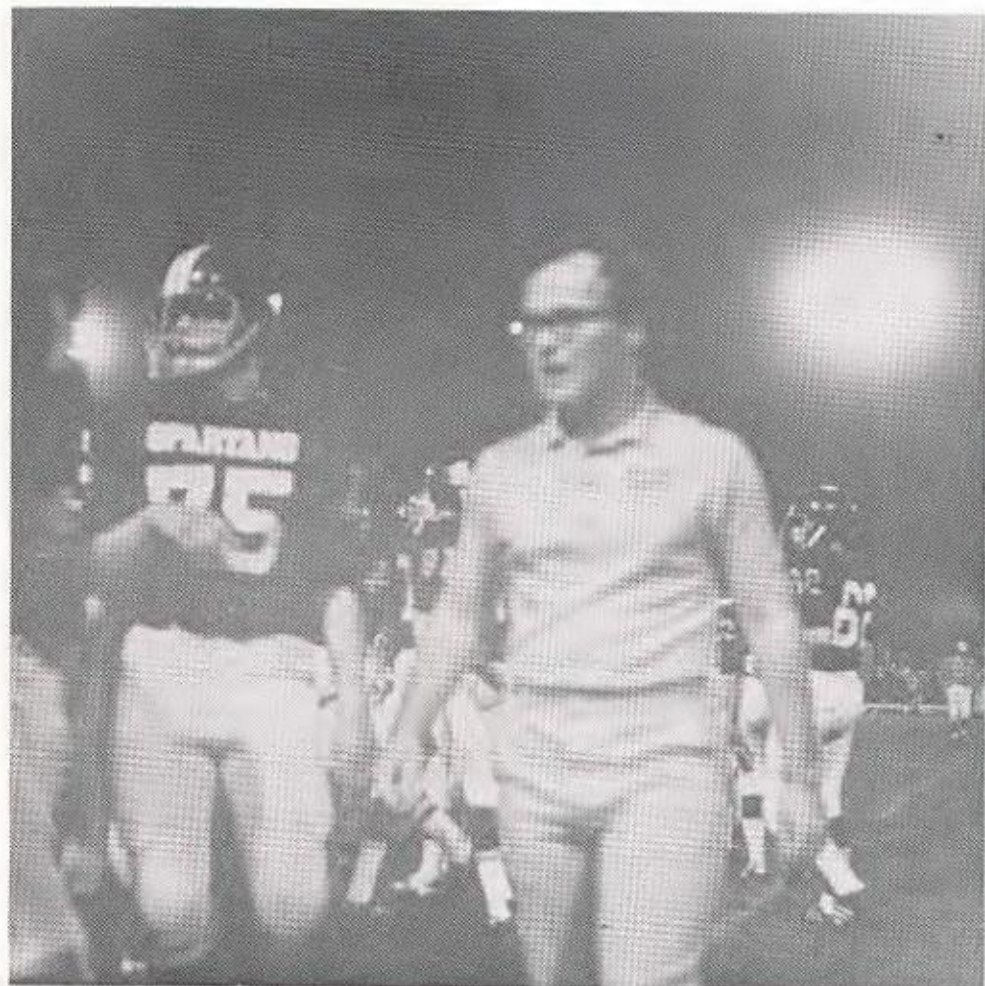

The Spartans faced the Panthers for the sixth game of the season. Oakesdale gained a large lead but in the fourth quarter the Spartans made a comeback. They were unable to overthrow the Panthers and the game ended 22-12.

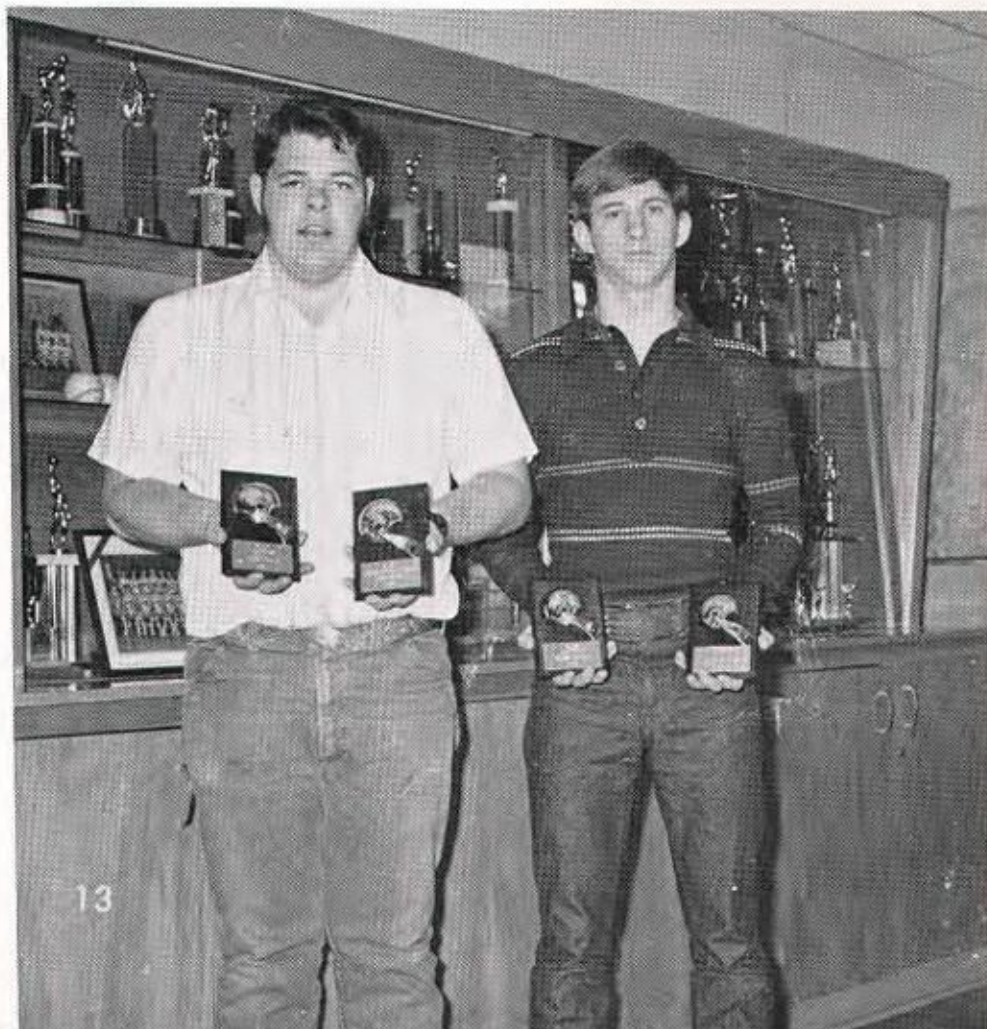

It was a cold day at Almira for the Spartans on October 20. The game was one of defense as the Spartans held the Rebels to 8 points. However, the Spartans were scoreless. Final Score: 8-0.

Rosalia's Homecoming was not a joyous event when they played the Lacrosse Tigers. It was more than a team effort, but their tough determination was not enough to crush the Tigers. The Spartans were edged 27-13.

The Rosalia Spartans faced the Colton Wildcats for their final game of the season. Colton was rated as second in the state and they held their position as they defeated the Spartans 59-0.

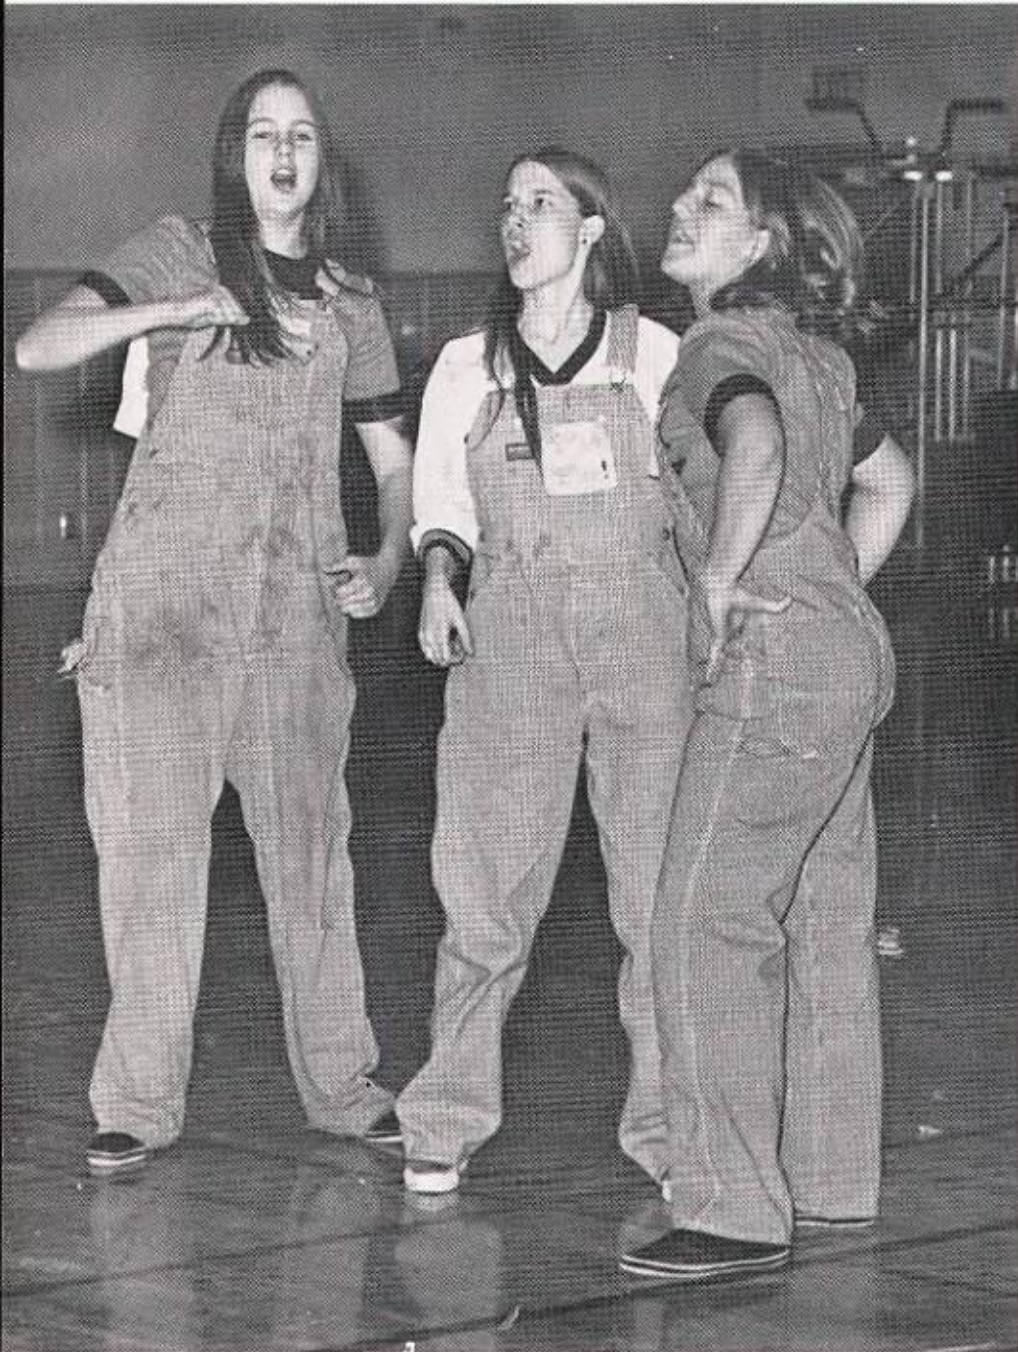

Mike Dale-Captain's Award and Inspirational Award, and Russ Prince-Captain's Award and Most Valuable Players Award.

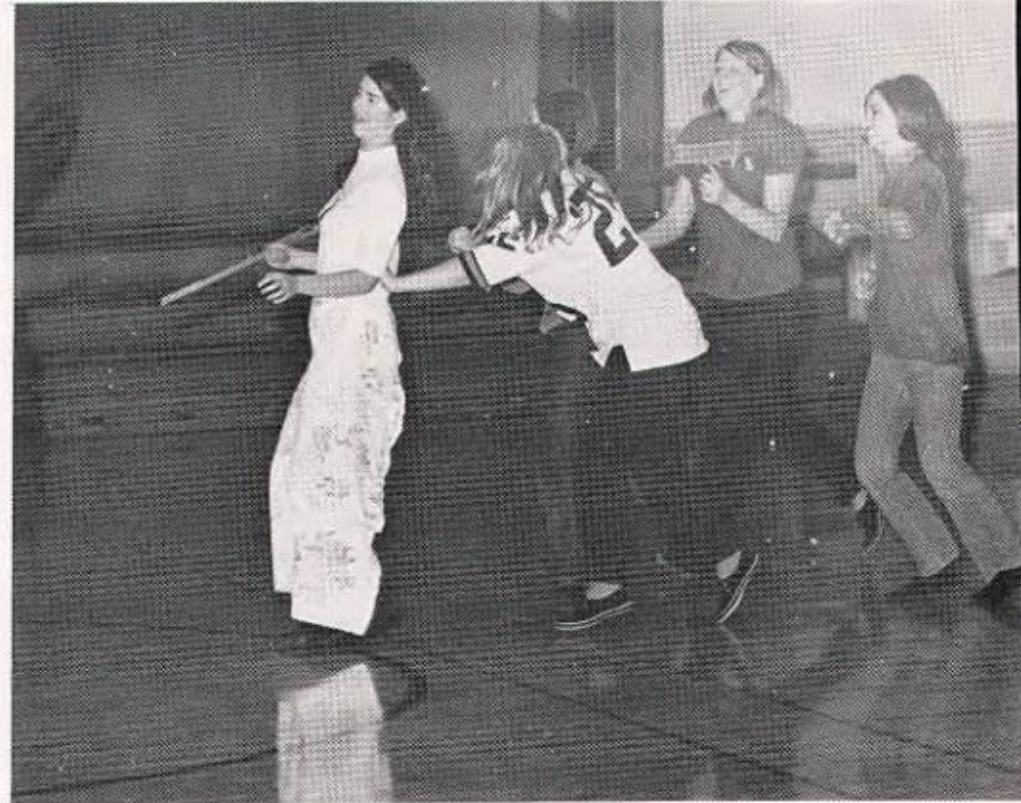

# Spartan Spirit Runs High

Spartan Week was a new event at Rosalia High. It was filled with class competitions to prove who had the most spirit, presentations, singing, downtown rallies, pep assemblies during noon hour, hall decorations, locker-room decorations, and special favors for football players. The week's finale was the La Crosse football game, and at half-time during the game, the crowning of Spartan Queen Betty Trull.

Sing along with Charlotte, Beverly and Patty.

Despite the 80 MPH winds on the field, two enthusiastic teams in original uniforms and a good-size crowd showed up for the annual powderpuff football game on October 16. The fantastic Shockers' offense proved too much for the well-matched Crushers' defense. After leading the entire game, Schuston's Shockers topped the Casey's Crushers 28-0. A delicious chili feed sponsored by the Rosalia Booster Club followed the game. It helped soothe the Crushers' defeat and celebrate the Shockers' victory.

# Homemakers of Tomorrow

The FHA chapter's year was filled with work, fun, and honors. They held a bake sale, celebrated FHA week, and supplied the food for the FFA-FHA barbeque. Among the fun things; Regional Meeting at Deer Park, frosh initiation, Easter Egg Hunt, Senior Brunch, and Recognition Day at Kettle Falls. A few of the honors; Mrs. Voge was selected as Region IV's advisor, Marie Meserve was 2nd Vice-President of Region IV, they received honor chapter, and Barbara Wallace was elected state Director of Leadership for next year. Rosalia's FHA received the highest rating (99.3) for their presentation at Recognition Day. They were commended at the FHA State Meeting in Ellensburg for S. P. E. A. R., a career day organized by the sophomore Home Ec. class.

How's the weather, Pat?

The freshman class began their high school years with the traditional "buring of the dummy." We proved, (contrary to popular belief) that it is possible for a class fresh out of grade school, to have a successful workday. We showed everyone our artistic ability by winning both the county and district sign competitions. Looking back, our first year at RHS was a successful one.

## Sophomores

This was the year for class rings, and it was surprising how the class all decided on the same ring as well as the same company. The rings represented a large expense, but many of the students purchased them anyway. They held a work day on March 10. It consisted of a bake sale and a car wash.

The Junior Class started their exciting year off with a "whiz banger" of a workday on September 16. This proved very profitable, and came in handy for the Junior Prom later in the year. We came in first in the season ticket sales, and received a skating party to Tiffany's, where almost everyone came back with their share of bumps and bruises. Our class participated in Spartan Week by helping decorate the halls of RHS, and adding to the spirit of the school. You must admit, that this has been the year of the Juniors.

"Today's Students For Tomorrow's America" -- an appropriate theme of our Rosalia Future Teachers of America, headed by Mrs. Widman. This vivacious group sponsors various activities which includes the Christmas Party, a time when the alumni return and speak about college. Also this year on our visitation we visited Spokane Garry Junior High School in Spokane. We were able to observe teaching methods in action, and see the workings of a different educational system. Moneymaking activities for this year included participation in the school carnival and a concession stand at a basketball game. This money is used for an FTA scholarship given every year to a deserving student.

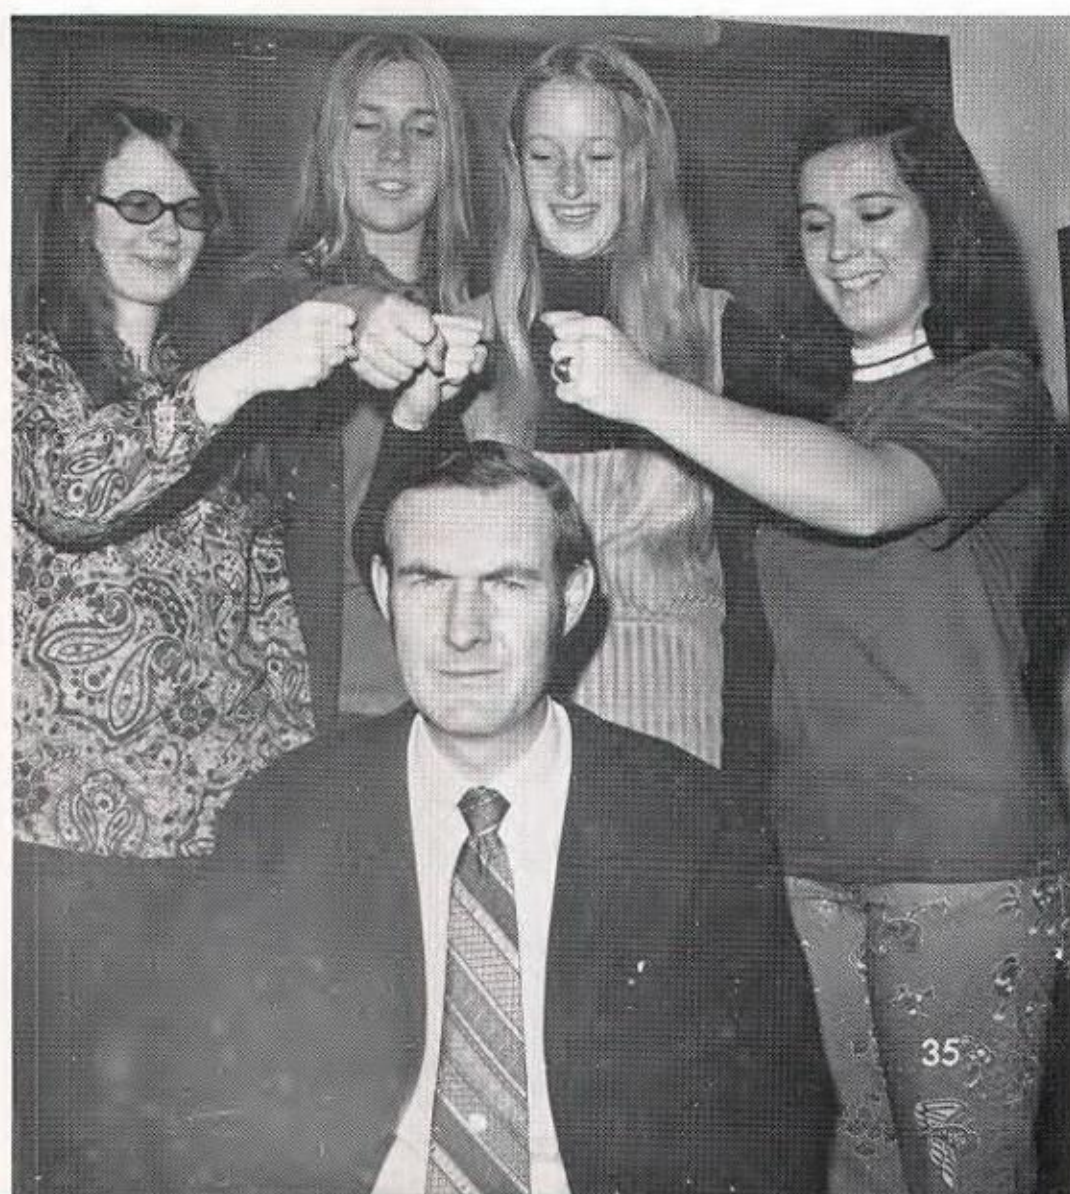

OFFICERS--FIRST ROW: M. Meserve, M. Dale, P. Mattausch. SECOND ROW: G. Oliver, T. St. John, B. McBride, D. Brown.

FIRST ROW: C. Blank, P. Mattausch, B. McBride, B. Trull, T. St. John. SECOND ROW: S. Broeckel, C. Sheahan, D. Brown, G. Thomas, M. Meserve, B. Norton.

This year the all girls NHS sponsored a roller skating party for members and guests at Tiffany's in Spokane. Also an NHS sponsored dance helped to raise money for the NHS scholarship to a deserving Senior from the class of '73. They maintained the reader board and in the spring initiated eight new members including three boys who will help to keep up the reader board during the cold months next year.

## Bells Are Ringing

On December 6, 7, and 9th of 1972 the Music Department presented its musical "Bells Are Ringing." The weather outside was frightful as according to the song and so the attendance was not as great as we had hoped; however, the cast came through with flying colors and performed well in spite of cold weather outside.

Drama enjoyed an enlarged schedule this year. To help build Christmas Spirit and kick off the Drama season, the Drama class presented "Scrooge", an adaptation of Charles Dicken's "Christmas Carol". The next production, "Submerged" was prepared as Rosalia's entry to the Whitman County One-Act Play Contest. The play placed second in the contest and two of the actors, Joe Noland and Robin Scholz, were the only male performers to receive "Best Actor" awards. The final production was the three act play, "The Tea-house of the August Moon". It featured a large cast, a Geisha girl, a real jeep and a live goat on stage.

Whether it's a freezing football game or a tense basketball game or just taking tickets at the door, that same spirit is always present with the Spartanettes. The girls and their advisor, Mrs. Henning, engage in other activities such as decorating goal posts, selling concessions, painting signs and of course, rooting on the mighty Spartans at all their games. So when you hear "Spartanettes" mentioned, think of the SPIRIT OF R. H. S.

WINS -- LOSSES

5      0

Girls' basketball had another terrific season. Both the A- and B-squads were undefeated in regular season play. They competed against Oakesdale, St. John, Garfield, Palouse, and Tekoa. The County Jamboree was held at Endicott, but the girls weren't quite prepared for the opposition they met. They lost the Jamboree, and Rosalia's excellent team received no recognition for their season of work and wins.

# This Magic Moment

1973 Junior Prom with "Daybreak".

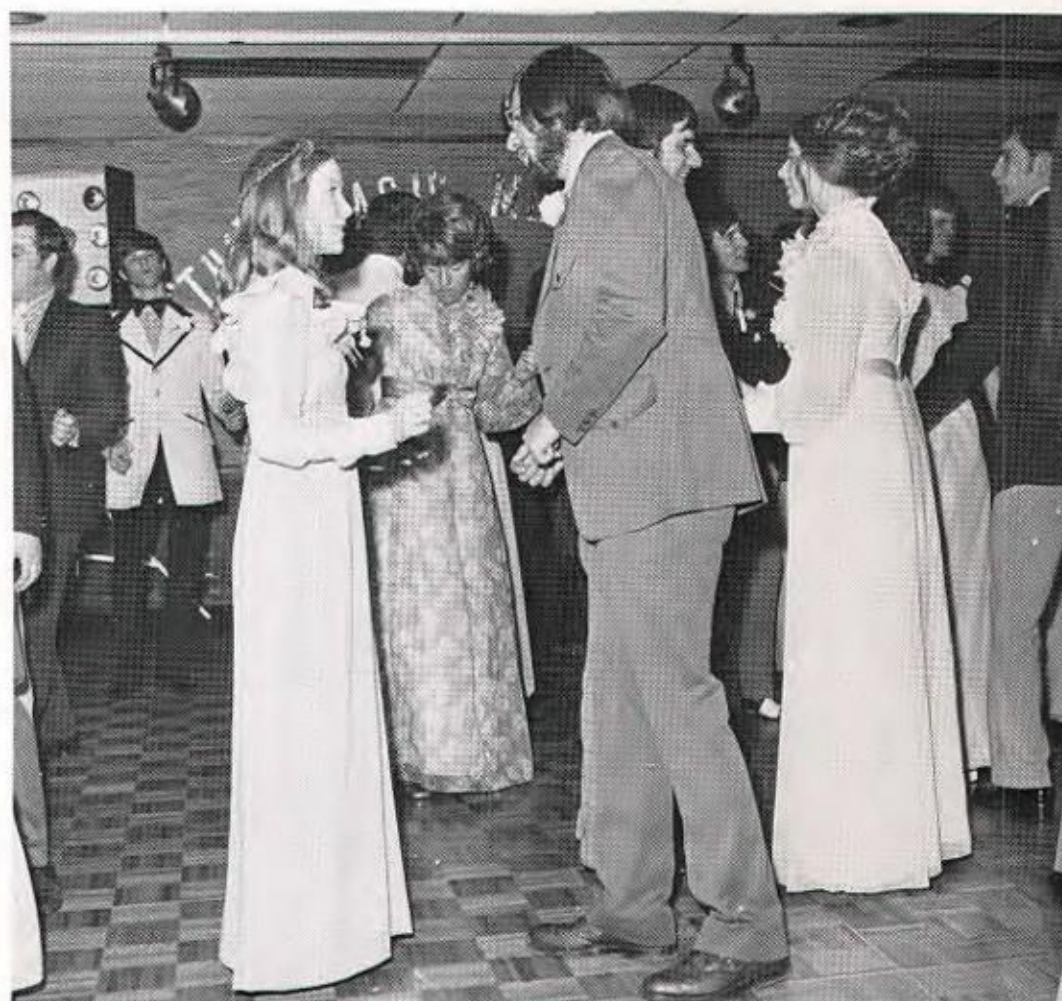

Yes, it was "This Magic Moment" at the Holiday Inn in Spokane for the 1973 Junior Prom. The exciting evening began with a delicious steak dinner; later everyone boogied to the fantastic music of Daybreak. At midnight, the band stopped playing, but all who attended will long remember the magic of that night!

"Modmetrics" is the theme of this flame orange, jet black, and white float. It consists of three circulating wheels and four whirling diamonds. So far this year it has won a Sweepstakes Trophy in both the Lilac and Torchlight parades, and the Mayor's Trophy at the Wenatchee Apple Blossom parade. This summer the float will participate in our home town Battle Days parade, Farfield's Flag Day parade, Coeur d-Alene's Fourth of July celebration, the Seattle Seafare's Torchlight and day time parade, and also the parade at Penticton, Canada. To Mrs. Feenan, the designer of the float, the mothers of the royalty, the engineers, and the entire community go our thanks of appreciation for a job well done.

# Rosalia Spartans Keep on Trackin' . . .

The 1973 Rosalia track team assaulted the school records from the very first meet. By the end of the season, Paul Buchholtz, Russ Prince, Scott Watkins, Bill Wilson, and the mile relay team of Bill Wilson, Russ Prince, Jim Quackenbush, and Paul Buchholtz had erased 10 school records. The mile relay mark was reduced an unbelievable 19 seconds; to 3:40. Attending the county track meet at Moscow, Idaho were Russ Prince, Paul Buchholtz, Scott Watkins, Jim Quackenbush, and Bill Wilson. Both Buchholtz and Watkins qualified for State and placed first and second at the District meet in Pullman. At the State meet in Cashmere, Watkins placed ninth in the shot, and Buchholtz placed 4th in the 440. Both of these trackmen are juniors and will be shooting for placings at the State meet again next year. Coach Staebell was pleased with some of the fine individual efforts through the year.

Neeeeeyaaaaa, rounding third and heading for home !!

"Lay another one in here, Bill buddy!"

The team's most valuable player- Bill Wilson fires in another lightening quick pitch !

This was another successful baseball season, especially when considering how young our team was. The majority of the games were played exceptionally well and many of the younger players gained valuable experience for next year's season. Keep up the good work men !
